

Southwestern University - Reportable Crimes

The Clery Act requires institutions of higher education to include statistics for four general categories of crime including: Criminal Offenses, Hate Crimes, VAWA Offenses, and Arrests and Referrals for Disciplinary Action. The following information reflects the number of crimes for the last three years as required for compliance.

***Unfounded crimes** (Those that a commissioned peace officer has investigated and found to be false or baseless and are subsequently withheld from the crime statistics) are required to be disclosed beginning in calendar year 2015. There were no unfounded crimes reported for 2019, 2020 or 2021.

****Hate Crimes** There were no hate crimes reported in 2019, 2020, or 2021. The calendar year 2019, 2020, and 2021 crime statistics in this report were determined per the Clery federal register (34 C.F.R.668.46) and guidance in the Clery Act Appendix to the Federal Student Aid Handbook and the 2016 Handbook for Campus Safety and Security Reporting (rescinded 2020)

*****Liquor Law and Drug Abuse Violations** COVID-19 restrictions continued to impact activity on campus in 2021 as they did in 2020. Student housing was only 68% occupied in Spring 2021 and 83% occupied in Fall 2021. Housing was closed in Summer 2021 and available only by exception to a very limited number of students. Student organizations were restricted from holding in-person events for most of the year. All of these factors contributed to liquor law and drug abuse violations in numbers similar to those in 2020.
