

# How to Find a Humana Vision Provider

1. Go to: <https://finder.humana.com/finder/vision?customerId=1>
2. Select Purchased through my employer or on my own and click Continue

## Find a doctor

Use the tabs to help you search for a doctor, dentist, vision care provider, or pharmacy.

Medical

Dentist

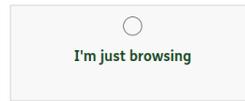

Vision care

Pharmacy

Vision care

### What type of vision care coverage do you have?

Continue

3. Select Humana Vision Humana Extend (Humana Insight Network)

## Just looking?

Click on the plan you are considering. A new window will open, allowing you to search for eye doctors within that network.
