

Southwestern University
2024-2025

FACULTY REPORT
OF EXCELLENCE

Southwestern University's faculty are at the heart of our vibrant academic community. They are not only outstanding educators, but also distinguished experts in their fields. Through groundbreaking publications, innovative research, impactful presentations, and prestigious awards and honors, they consistently demonstrate their commitment to both scholarship and society at large. Most importantly, they are passionate about mentoring and nurturing the next generation of scholars and leaders. Their unwavering thirst for knowledge and enduring dedication to teaching inspires our students, igniting their intellectual curiosity and fostering a love for lifelong learning.

The following pages celebrate the many achievements of our faculty and staff from April 1, 2024, through March 31, 2025.

Sincerely,

Robin Currey, Ph.D.
Vice President for Academic Affairs

ON THE COVER:

Students, faculty, staff, and guests came together during the 42nd Brown Symposium, *Visualizing the Abstract*, to collaboratively construct a geometric sculpture designed by artist George Hart. The finished piece, now permanently installed in the Fondren-Jones Science Center Atrium, reflects the symposium's Paideia spirit, where math and art intersect to inspire curiosity, creativity, and connection.

BIOLOGY

Romi Burks

Professor Burks, **Cassidy Reynolds** '24, **Esmeralda Rosas** '24, **Cynthia Bashara** '23, **Lillian Dolapchiev** '23, **Matthew A. Barnes** '06 (Texas Tech University), and Christopher L. Jerde (University of California, Santa Barbara) published "Snail Slime in Real Time: Challenges in Predicting the Relationship between Environmental DNA and Apple Snail Biomass" in *Management of Biological Invasions* in July 2024.

Burks also:

- » Collaborated on a poster with **Gage Mallo** '26 and **Johun Reyes** '26 titled "You Better Belize They're Different: Phylogenetic Analysis and Species Identification of Native Apple Snails in Belize" presented at the Texas Academy of Science 128th Annual Meeting in Waco, Texas, held Feb. 28–March 1, 2025. The poster garnered a first-place poster award in the systematics and evolutionary biology section.
- » Collaborated on a poster with **Kylie Allemeier** '26, **Katelin Pilarski** '26, and **Sarah Berver** '26 titled "Extraordinary Extraction Efforts: Experiments to Enhance DNA Extraction for Tissues of Apple Snails of Conservation Interests" presented at the Texas Academy of Science 128th Annual Meeting in Waco, Texas, held Feb. 28–March 1, 2025.

Kimberly McArthur

Assistant Professor McArthur collaborated on research with **Annika Tracy** '25 that was presented at the Texas Academy of Science 128th Annual Meeting in Waco, Texas, held Feb. 28–March 1, 2025. Tracy's talk, titled "Location-Independent Axon Pathfinding in the Hindbrain of Larval Zebrafish," earned the first-place undergraduate talk award in the neuroscience section.

Sunny Scobell

Assistant Professor Scobell and **Madeleine Thomas** '26 presented a poster titled "A Morphological Analysis of the Dopaminergic Pathway in the Brain of a Male-Pregnant Pipefish" at the Texas Academy of Science 128th Annual Meeting in Waco, Texas, held Feb. 28–March 1, 2025.

COMMUNICATION STUDIES

Bob Bednar

Professor Bednar, **Lauren Chisholm** '24, **Alexa Delenela** '25, **Tre Flores** '26, **Lauren Wise** '25, and **Justin Zamora** '24 launched the Mission-Driven Medicine website in January 2025. The website is a fieldwork-based public-facing humanities project analyzing the organizational communication at the Houston Methodist hospital system.

ECONOMICS AND BUSINESS

Debika Sih

Professor Sih and **Abigail (Abby) Ryan** '25 published "Crafting and Evaluating Generative AI Prompts: Insights from Students, Educators, and Marketers" in the Summer 2025 issue of *Marketing Education Review*. Sih also:

- » Was featured along with **Abigail Norton** '28 and **Mateo Torres** '28 in the newsletter *The Scoop: Update from Litmaps*. The students were highlighted for their work visually mapping a literature review.

EDUCATION

Michael Kamen

Professor Kamen and **Sydney Jackson** '27 presented two research sessions: "STEM and Successful Play-Based Programs" at the 2025 International Consortium for Research in Science and Mathematics Education XVII Consultation in Valladolid, Yucatán, México, in March 2025, and "Play-Based Programs: Themes for Success" at the Association for the Study of Play 51st Annual Conference in South Padre Island, Texas, in February 2025. Kamen also:

- » Presented with **Sydney Aschmann** '26, **Makenzi Ducharme** '26, **Hannah Pullen** '26, **Annika Romeo** '26, **Maddie Ziegler** '26, **Annika Flora** '26, **Alejandro Gallegos** '26, and **Emily Marks** '26 in the session "Hands-On Science Lessons Presented by Preservice Teachers" at the 2024 Conference for the Advancement of Science Teaching in San Antonio, Texas, in November 2024.
- » Virtually presented a poster titled "Successful Play-Based Programs: Case Studies" with **Sydney Jackson** '27 at the 2024 International Society for Cultural-Historical Activity Research Conference held in Rotterdam, the Netherlands, in August 2024.

Raquel Sáenz Ortiz

Assistant Professor Sáenz Ortiz and **Melina Boutris** '22 presented "Culturally Responsive Instructional Strategies for Immigrant-Origin Youth in Austria" at the 21st IMISCOE Annual Conference in Lisbon, Portugal, in July 2024.

KINESIOLOGY

Scott McLean

Professor McLean, **Kevan Kennedy** '24, and **Emma Williams** '24 presented a poster titled "Comparison of Overground, Motorized Treadmill and Non-Motorized Treadmill Gait" at the 2024 American College of Sports Medicine Annual Meeting in Boston, Massachusetts, in May 2024.

MATHEMATICS AND COMPUTER SCIENCE

Barbara Anthony

Professor Anthony collaborated with **Camille James** '26 on research that James presented at the Texas Academy of Science 128th Annual Meeting in Waco,

Texas, held Feb. 28–March 1, 2025. The poster was titled "Distortion of Single Transferable Vote on a Line." Anthony also:

- » Presented a paper co-authored with **Mark Mueller** '24 titled "Course Scheduling Made Easier: A User-Friendly Web-Based Timetabling Tool Using PyGLPK" at the 21st International Conference on Cooperative Design, Visualization, and Engineering in Valencia, Spain, in September 2024.

Alison Marr

Professor Marr, **Kathryn Altman** '24, **Lauren Calzado** '23, **Emma Lewis** '23, **Rowan Via** '23, and three additional co-authors published "Difference Distance Magic Oriented Graphs" in *Research in the Mathematical Sciences* in November 2024.

Jacob Schrum

Associate Professor Schrum collaborated on research with **Travis Rafferty** '24 and **Joanna Lewis** '24 that Rafferty presented at the 2024 Consortium for Computing Sciences in Colleges South Central Conference in Nacogdoches, Texas, in April 2024. The poster was titled "Using Multi-Objective Quality Diversity to Evolve Complex Machines in Minecraft."

PSYCHOLOGY

Erin Crockett

Professor Crockett, **Clayton Crusius** '25, and **Sarah Doroshow** '25 presented a poster titled "Self-Expanding in a Virtual Reality World" at the Society for Personality and Social Psychology 2025 Annual Convention in Denver, Colorado, in February 2025.

Traci Giuliano

Professor Giuliano, **Georgia Micknal** '25, **Samantha Gonzales** '26, **Lauren Levee** '27, **Gabrielle Fullard** '27, and **Kalista Esquivel** '26 published "(Don't) Hit Me Up: The Effects of Initiator Gender and Setting on Perceptions of Date Initiation" in the December 2024 issue of the *North American Journal of Psychology*. Giuliano also:

- » Published an article titled "Successfully Publishing with Undergraduate Coauthors in Psychology: Insights from Faculty with Top Track Records" with **Will Hebl** '23 and **Jennifer Howell** '09 in *Collabra: Psychology* in April 2024.

Fay Guerraci

Professor Guerraci and **Ian Klepcyk** '24 published "Cross-Cultural Comparisons: Lordosis Behavior" in the *Encyclopedia of Sexual Psychology and Behavior* (Springer) in July 2024.

Carin Perilloux

Associate Professor Perilloux, **Samantha Gonzalez** '25, **Gwen Metz** '25, **Georgia Micknal** '25, and **Griffin Salinas** '25 presented a poster titled "A Labor of Love (Mostly): Developing a Self-Perceived Parental Effort Scale" at the Evolutionary Psychology Preconference for the Society for Personality and Social Psychology 2025 Annual Convention in Denver, Colorado, in February 2025. Perilloux also:

- » Presented a poster titled "Developing the Self-Perceived Parental Effort Scale (SPES)" with **Lainey Gutierrez** '25, **Jaxson Haynes** '25, **Maryn Medlock** '25, **Cassidy Reynolds** '25, and **Lauren Sanders** '24 at the 2024 Association for Psychological Science Annual Convention in San Francisco, California, in May 2024.

SOCIOLOGY AND ANTHROPOLOGY

Melissa Johnson

Professor Johnson, Assistant Professor **Naomi Reed**, **Rose Reed** '25, and **Kalista Esquivel** '26 presented their panel "Unsilencing the Past: How Oral Histories Give Voice to Black and Latinx Students at Southwestern University" at the Southwestern Social Science Association 103rd Annual Meeting in New Orleans, Louisiana, in April 2024.

Maria Lowe

Professor Lowe, **ThuyMi Phung** '23, and **Katherine Holcomb** '23 presented their paper titled "The Interaction of Race and Racial Grievance: Predictors of American Attitudes about Critical Race Theory" at the Eastern Sociological Society 2025 Annual Conference in Boston, Massachusetts, in March 2025. Lowe also:

- » Published an article with **ThuyMi Phung** '23 titled "The Armed Home and Support for Trump: Predictors of Americans' Attitudes Toward Gun Violence" in the *Journal of Integrated Social Sciences* in December 2024.
- » Presented "Racialized Fears in White Spaces: The Frequency with which Residents Worry about Being Perceived as Suspicious in Their Neighborhood" with **Brigit Reese** '24 and **Carson Maxfield** '24 at the Southern Sociological Society 87th Annual Meeting in New Orleans, Louisiana, in April 2024.

Adriana Ponce

Assistant Professor Ponce and **Chelsey Rocha** '25 presented "Stepparents in America: Unearthing Distinct Practices and Processes" at the National Women's Studies Association 44th National Conference in Detroit, Michigan, in November 2024.

Naomi Reed

Assistant Professor Reed, Professor Melissa Johnson, **Rose Reed** '25, and **Kalista Esquivel** '26 presented their panel "Unsilencing the Past: How Oral Histories Give Voice to Black and Latinx Students at Southwestern University" at the Southwestern Social Science Association 103rd Annual Meeting in New Orleans, Louisiana, in April 2024.

THEATRE

Desiderio Roybal

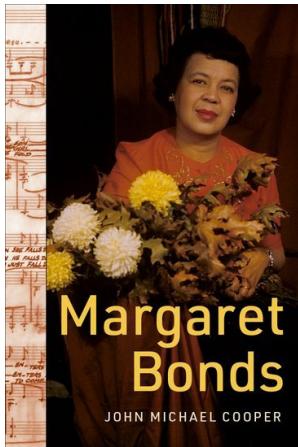

Professor of Theatre Desiderio Roybal designed the scenery and was the scenic charge artist for Magnolia Musical Theatre's production of *Footloose*, which ran July 10–Aug. 10, 2024. **Connor Bustos** '26 and **Em Hoover** '27 served as academic interns in scenic fabrication and scenic art. **Kyle Bussone-Peterson** '24, **Alex Cannata** '24, **Ashlyn Zunker** '25, and **Olivia Hynes** '27 were scenic carpenters and painters. CONFERENCE PRESENTATIONS AND INVITED TALKS

ART AND ART HISTORY

Allison Miller

Professor Miller participated in a panel titled "Rethinking the Form-Matter Nexus after the Material Turn" at the 36th Congress of the Comité International d'Histoire de l'Art in Lyon, France, in June 2024. Miller also:

- » Gave a virtual invited presentation titled "Purple in Early China" to a Chinese art history class at Georgetown University in September 2024.

BIOLOGY

Romi Burks

Professor Burks co-presented "Methodological Microplastics: Development of an Undergraduate CURE to Quantify Abundance of Microplastic Fibers in a Local Stream" at the Texas Academy of Science 128th Annual Meeting in Waco, Texas, held Feb. 28–March 1, 2025. Burks also:

- » Presented "Confirming Local Eradication of Apple Snails at Bear Lake with eDNA" at the Gulf and South Atlantic Regional Panel on Aquatic Invasive Species Fall 2024 Meeting in Austin, Texas, in November 2024.
- » Presented "Educated by Chocolate: How to Build Your Chocolate Knowledge One Bite at a Time" and "Separating Fact from Fiction in the Science of Chocolate" at the Northwest Chocolate Festival in Bellevue, Washington, in October 2024.
- » Presented "Chocolate Covered Science: Connect What You Love to Eat with What You Love to Study" at Schreiner University in September 2024.
- » Participated in a panel discussion on the crisis in the chocolate industry and gave a solo presentation titled "Educated by Chocolate: How to Build Your Chocolate Knowledge One Bite at a Time" at the Dallas Chocolate Festival in September 2024.

Sunny Scobell

Assistant Professor Scobell presented "Brood Pouch Anatomy throughout the Course of Male Pregnancy in Gulf Pipefish" and "An Investigation of the Role of Prolactin during Reproduction in a Fish with Male Pregnancy" at the Texas Academy of Science 128th Annual Meeting in Waco, Texas, held Feb. 28–March 1, 2025.

CHEMISTRY AND BIOCHEMISTRY

Dilani Koswatta

Director of General Chemistry Laboratories Koswatta and Director of Organic Chemistry Laboratories **Carmen Velez** presented a poster titled "Fostering STEM Interest through Chemistry Connections with the Community" at the Biennial Conference on Chemical Education in Lexington, Kentucky, in July 2024.

Sara Massey

Assistant Professor Massey presented "Fluence-Dependent Transient Absorption Reveals the Functional Connectivity of Red Chlorophyll Sites in Cyanobacterial PSI" at the 2nd North American Photosynthesis Congress in Atlanta, Georgia, in June 2024.

Carmen Velez

Director of Organic Chemistry Laboratories Velez presented a workshop titled "Fueling Education Transformation: The Dynamic Chemistry of Community-Based Learning" at the Biennial Conference on Chemical Education in Lexington, Kentucky, in July 2024. Velez also:

- » Presented a poster with Director of General Chemistry Laboratories **Dilani Koswatta** titled "Fostering STEM Interest through Chemistry Connections with the Community" at the Biennial Conference on Chemical Education in Lexington, Kentucky, in July 2024.

Maha Zewail-Foote

Professor Zewail-Foote co-presented "Oxidative Stress Results in the Accumulation of DNA Damage within Alternative DNA Structures Resulting in Aberrant Mutagenic Processing" at the 2024 Southwest Regional Meeting of the American Chemical Society in Waco, Texas, in October 2024.

COMMUNICATION STUDIES

Lamiyah Bahrainwala

Associate Professor Bahrainwala participated in a discussion group titled "Rhetoric and Climate Justice in the Age of Catastrophe" at the Rhetoric Society of America 21st Biennial Conference in Denver, Colorado, in May 2024. Bahrainwala also:

- » Presented "Caste Is Not a Metaphor" at the 2024 Biennial Public Address Conference in Austin, Texas, in September 2024.

Bob Bednar

Professor Bednar presented "Bringing the Archives Out of the Archives: Mobilizing and Reframing University Archives in Critiques of Campus Commemorative Landscapes" at the Austin Archives Bazaar in Austin, Texas, in April 2024.

Jaishikha Nautiyal

Assistant Professor Nautiyal participated in a panel titled "Anti-DEI Legislation in Texas" at the 2024 Biennial Public Address Conference in Austin, Texas, in September 2024.

Valerie Renegar

Professor Renegar co-presented "Digital Collaboration: Modeling Writing and Editing Practices through Horizontal Mentoring" at the NKRF9: Rhetoric in Digital and Technological Transition Conference in Copenhagen, Denmark, in October 2024.

ECONOMICS AND BUSINESS

Chandrayee Chatterjee

Assistant Professor Chatterjee presented a paper titled "Examining the Spillover Effects of Weight Loss Product Advertising on Nutritional Choice and Physical Activity" at the 2024 Southern Economic Association Annual Meeting in Washington, D.C., in November 2024. Her paper titled "The Role of Inattention in Statistical Discrimination" was also presented by her co-author at a different session.

Raji Kunapuli

Assistant Professor Kunapuli presented a paper titled "Effect of Abstract Language on Critics' Selection of Reference Groups for IPOs" at the 2024 Meeting of the Southern Management Association in San Antonio, Texas, in October 2024.

Dinushka Paranavitana

Assistant Professor Paranavitana chaired a session titled "Health Behavior I" and presented her co-authored paper "The Unintended Consequences of Women's Clinic Closures on Preventive Care" at the 94th Annual Meeting of the Southern Economic Association in Washington, D.C., in November 2024.
