Course numbers on this list of pre-approved courses offered at Texas Community Colleges, can be taken online through the Summer 2027 term. Seek written permission from the appropriate department chair for any other courses to be taken online. A list of additional pre-approved courses is available online at the TCCNS website: www.tccns.org – select Southwestern University from the list of Institutions.

### Notes:

1. Advanced approval is required for any transfer work taken in the last 32 hours toward an SU degree, and exceptions have several constraints – see the graduation requirements list pg.20, 2025-2027 SU Catalog.
2. Transfer course work must be reported by official transcript sent to the Office of the Registrar upon completion of the course(s).
3. Upper-level course equivalents will be changed to lower-level coursework at SU if taken from a 2 year institution or if lower-level at 4-year institution.
4. Students must receive a letter grade of C- or higher for the course credit to transfer.
5. The number of credits that transfer is equivalent to the number of credits earned.
6. Approval of these courses is not a guarantee of meeting degree plan requirements.
7. Languages not offered at SU may transfer in as Language I, II and III.
8. Course names may vary between different Texas Community Colleges. Please refer to the course numbers.
9. Courses not included on this list must be approved by the Office of the Registrar or appropriate department chair.
