Address: 4110 Guadalupe Austin, TX 78751

Placement Supervisor (name, phone, email): Amie Chopra

Initial Contact Person (name, phone, email): Victoria Latifses

Scheduled Start & End Dates: 6/11/19 to 7/30/19

Intern Duties & Responsibilities (list):

1. Read and familiarize a forensic patients file
2. Teach competency to forensic patients individually
3. Plan and co-lead a class focusing competency
4. Help facilitate DBT therapy
5. Advocate for an individual who feels their needs are not being met

Benefits Obtained:

One Sentence Capture of the Internship (My internship experience...):

ASH was not the type of hospital I expected it to be since the vast majority of patients are there for a forensic commitment but it is very much person centered and, despite the reason for being sent, the patients get treated like any other individual would.
